Conference B Country Assignments: 9-13 April 2017

Please Read This First:

- The minimum/maximum number of delegates is listed after the assignment; this does not include 1-2 head delegates not on a committee. No more than 2 delegates may be assigned to each committee. If you wish to bring more or less delegates than the assignment permits check the unassigned countries posted at the bottom of this list and contact [us](#).
- Not every Member State is on every committee! Consult the [matrix](#) for your country's committees.
- Only the assignments that say SC Member are that country on all the committees listed on the matrix. There are also two Additional Security Councils (ASC), these only simulate the Security Council: please note if you are ASC-B or ASC-C.
