

The Position Paper Awards for the National Model United Nations (NMUN) New York 2020 conference acknowledge the hard work undertaken in preparation for the simulation by both delegates and our volunteer staff.

Though the simulation itself was not able to take place due to the restriction of gatherings in response to the COVID-19 pandemic, NMUN thanks all delegates for the commitment to global citizenship demonstrated by their participation in Model UN and looks forward to their leadership as the world faces new and ongoing issues when the current crisis wanes.

Awards are listed in alphabetical order by Member State (not ranked).
